Packaging: You may only re-sell these contracted rates as part of a package, this is imperative to ensure your contracted rates remain opaque and not exposed to the market.

Example: you cannot sell 1 night at Discovery Rottnest Island, without packaging it up with ferry and/or day touring components.

Dynamic Rates:

The G'day Group is also able to offer ad-hoc dynamic rates for the non-contracted properties. Should you receive an enquiry from your clients, please reach out to us and we will assess the request accordingly. All requests are assessed based on occupancy and demand for the period, with a rate determined by our Revenue Team.

Experiences – Activities, Food and Beverages:

Unless included in the accommodation rates, all activities and F&B offerings are capped at 10% commission. This will be reflected in the Gross/Nett rates listed throughout this document.

Payment terms:

The G'day Group offer all trade partners credit terms, subject to the completion of a credit agreement when establishing an account with us.

- All accommodation bookings will be issued an invoice upon a guest departure or in the event that the booking cancels and fees are incurred, with 30-day payment terms.
- Day tour bookings (without accompanying accommodation), will be invoiced monthly, with the same 30-day payment terms.
- Upon making a payment, the remittance advice should be emailed to:
 - kingscanyon.remittances@gdaygroup.com.au for bookings at the Kings Canyon Resort
 - elquestro.remittances@gdaygroup.com.au for bookings at the El Questro Station, Emma Gorge or El Questro Homestead
 - trade@discoveryparks.com.au for bookings at all other Properties

Our Trade partners will be invoiced for all components which are added to the booking, prior to the guest arriving.

Example: If you request accommodation, transfers, activities or meals prior to the guest arrival, these will be invoiced to you upon guest checkout. Should the guest contact us directly to add touring or additional requests to their booking (Prior to their arrival), they will be directed to arrange these with their booking agent.

Any touring or additional requests by the guests upon their arrival or throughout their stay, are considered as incidentals and will be settled by the guests directly.
